Term Two, Week Eight, 5 June, 2020

Kia ora whanau

We are now officially in winter, but there is lots to keep us warm at school, like our Samoan Independence celebrations and a visit from a group of Taita College students this afternoon. What a talented and inspirational group of young people! We are so grateful to them for their time and energy with our tamaiti! Malo lava, Fa'afetai. Also, a huge thank you to the special people who came in to help cook the most delicious creamed rice, cocoa rice, and chop suey and rice. We are so thankful for your aroha!

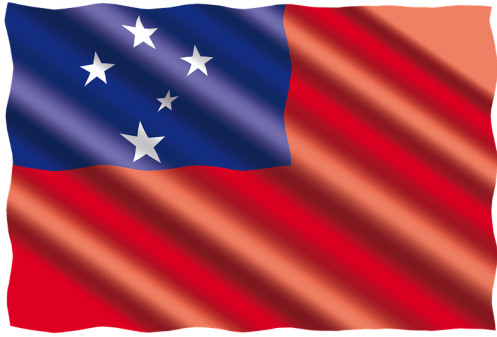

I hope to be updating you next week with a few changes for us under Alert Level One - fingers crossed this is announced on Monday. Please continue to keep safe, wash your hands lots, and continue taking care out there whānau.

Ngā mihi mahana

Cilla

<i>Week 9</i>	1 - 5 June	Queen's Birthday holiday. Samoan Independence celebration, Friday.
<i>Week 9</i>	8 - 12 June	Preparation for Cross Country. Shoes to run in please :-)
<i>Week 10</i>	15 - 19 June	The Dental Van is here! Bee Healthy :-)
<i>Week 11</i>	22 - 26 June	Learning Conferences this week.
<i>Week 12</i>	29 - 3 July	Reports come home this week. End of term two, Friday 3 July.

A very happy celebration of Samoa Independence

A note from our Health Nurse

Kia ora e te whānau,

My name is Nikita and I am the Neehi at Pomare school. One of the services I promote is a new entrance assessment for our tamariki. This assessment allows us to check in on the health of your tamaiti and how I may be able to support the whānau to ensure your tamaiti can thrive whilst at school.

I will be reaching out to some whānau shortly to book in some assessments, however you can alternatively contact me through the office or my contact details below. I know how hard the health service can be to navigate so please let me know if you have any concerns and I will see how I can help.

Phone 027 249 2994

And a note from the Ministry of Ed re health concerns

For children's health, the best information source is the Ministry of Health website. Early detection of any illness is important so you can call Healthline [0800 611 116](tel:0800611116) any time if you suspect symptoms of any condition but are not sure what to do.

Launchpad (Bible in Schools) lessons are available to students who have parental permission from next week - Thursday 11th.

**Please let us know if you need to
update any details:**

- **Phone numbers**
- **Email**
- **Medical details of your tamariki**

Getting ready for breakfast this morning! Thank you to the Room 9 helpers, with the cleanest hands of course!

Have a lovely weekend!
