Kia ora koutou

Thanks to all those who made it along last Thursday to share their thoughts on what they feel is going well here at Pomare and contribute ideas to build further for the future. Your input is really valuable and helps us to put together our strategic plan for the next three years.

New Enrolments

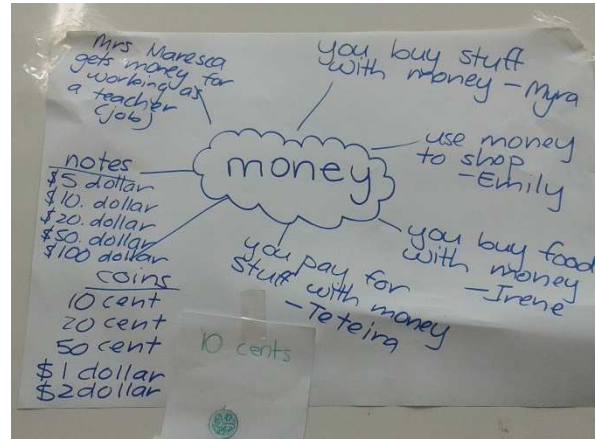

We welcome another new entrant this week with Laurelle joining us from Life Start preschool.

Financial Literacy

This term classes will be exploring budgeting and financial decision making. Each class will be looking at products or services they can offer at our Christmas in the Hood Gala. They will be

weighing up the costs, effort and skills required, against the likely popularity and profitability of their products. Great real life learning.

Notices

Our school asks for a very nominal donation of \$20 per year per student, this money is used to improve resources. It is not a fee, it is not compulsory and it is totally understood when families are not in the position to pay it but it is very much appreciated when they are.

Kai Ora Café is back up and running for the term so if you are out of lunch ideas next Wednesday come and enjoy our student Café. Next week's menu is club sandwiches, fruit salad and citrus slice.

Enjoy the long weekend and we will see you on Tuesday.
