Kia ora koutou

We have had another busy week, with Hutt Science in on Monday running a morning of experiments and a puppet show on Tuesday afternoon. Classes are beginning to prepare for Christmas in the Hood, this fabulous community event also doubles as our school Gala. Each class is designing a range of Christmas themed products for sale on the day and our Kai Ora Café will also offer a range of healthy but delicious food for sale. So please put the date in your diary and invite friends, family and neighbours along, Saturday 3 December here at Pomare School.

Sunhats

Thank you so much to all those who have helped to provide the children with sunhats. It is great to see that almost all the children are now regularly wearing their hats in the playground.

Contact Details

If your phone number has changed could you please let the school know as soon as possible. When children are absent or fall sick during the day we need to be able to contact whanau. Unfortunately we are finding that quite a few phone numbers are coming up as invalid or not in service. Potentially this could create serious issues if your child is unwell or we are not able to confirm they have stayed home with you.

Hutt Science

A big thanks to the educators from Hutt Science who were here on Monday, educational and entertaining, they had a room full of very engaged learners.
